

MEMBERSHIP APPLICATION

The Michigan Concrete Association strives to increase the use of concrete in Michigan, through customer promotion and support, and to further the interests of the ready mix and concrete paving industries in Michigan.

The Association's driving values are to encourage the best product in the appropriate application, a healthy concrete industry, a strong customer focus, member success, good public policy based on fact, to be credible at all times in all things, and to recognize and apply the best in technical expertise.

The company hereby makes application for membership in the Michigan Concrete Association. We agree, if elected to membership, that in accepting the privileges, we will also accept the Articles of Incorporation, By-Laws and Dues Schedule as long as we continue in the association. We understand that by providing mailing address, email address, telephone number, and fax number, I hereby consent for all employees of our organization to receive any and all communications sent by or on behalf of the Michigan Concrete Association solely via regular mail, email, telephone, or fax.

Authorized Signature _____ Date _____

Benefits of MCA Membership

A stronger industry. Our ability to promote concrete and serve the industry hinges on the support we get from our members. The more members we have, the stronger our resource and influence base, and the better we can meet the industry's needs.

A unified voice. As our membership increases, so does our effectiveness at presenting the industry's position on legislative and regulatory issues. The entire industry acting together has far more influence than numerous companies acting separately.

An information clearinghouse. There are only 24 hours in a day. After running your business, how much time do you have left to keep up with all the developments that could affect your decisions tomorrow? The MCA is a clearinghouse of technical and promotional information about the industry. We sift through what's new and tell you what's important.

Networking. Collectively, MCA's membership knows everything there is to know about the concrete industry. When you belong to the MCA, you have access to all of that knowledge through events and programs that give you an opportunity to interact with other industry leaders.

YEARLY DUES CALCULATION

Ready Mixed Concrete Producers

Base Fee \$625
